March Break Open House
Saturday, March 10, 2018
On this day of discovery, you will have a chance to meet with our faculty, staff and students to learn why Western offers the best student experience among Canadian Universities.

Experience Western in 360°
Can’t make it to campus? Visit our new immersive video webpage – welcome.uwo.ca/360 – to explore Western from any angle. Take a walk through our beautiful campus, tour our facilities or listen to a lecture right from the comfort of your own home.
YOU APPLIED TO WESTERN. NOW WHAT?

STEP 1: ACTIVATE YOUR WESTERN ACCOUNT

a) Obtain your Western Access Code
Have your Western Student Number (provided in your Application to Western Received email), and your Ontario Universities’ Application Center (OUAC) reference number (2018 - XXXXXX) available.
Instructions for obtaining your Western Access Code are located online at: studentservices.uwo.ca/secure/AccessCode

b) Activate your Western Identity
Activate your Western Identity by using your Access Code (obtained above) and your Western Student Number.
Instructions can be found online at: https://idm.uwo.ca/uwo/activate/activateAccountController.jsp

For help and an online video tutorial, please visit: uwo.ca/wts/identity

c) Access your Student Center information
You should now have your User ID and password which are required for logging in to your Student Center.
Visit student.uwo.ca, input the information required and click Sign In.
View your application information and other important material online.

STEP 2: SUBMIT SUPPORTING DOCUMENTS

Your grades will automatically be submitted by your school as long as you are currently enrolled in an Ontario secondary school. Supporting documents that are required in order to complete your application will be listed in your To Do List located on your Student Center. It is your responsibility to ensure any required documents are submitted to Western. We encourage you to submit your documents as soon as they are available.
Supplementary applications, auditions, portfolios, etc. are required for some programs. Refer to page 11 for Supplemental Admission Application and Profiles information and deadlines.

STEP 3: TRACK YOUR APPLICATION
Closely monitor the status of your application by signing in to your Student Center online at: student.uwo.ca

STEP 4: LEARN MORE ABOUT WESTERN
Visit Western to see our beautiful campus, learn more about our academic programs and student services.
welcome.uwo.ca/connect_with_western/visit_western
Explore our website: welcome.uwo.ca

STEP 5: RECEIVE YOUR ADMISSIONS DECISION
Offers of admission for current Ontario secondary school students are extended in rounds from December to mid-May.
Western reviews every applicant for each round of offers. If you do not receive an early offer, keep working hard! You will be considered each time we extend a round of offers.

STEP 6: RESPOND TO YOUR OFFER OF ADMISSION
Ontario secondary school students offered admission must respond to their offer by June 1, 2018.

STEP 7: RESPOND TO YOUR RESIDENCE OFFER
Guaranteed Residence Offers are included in Admission packages. Please follow all instructions carefully and be sure to submit the required pre-payment by June 5, 2018.

STEP 8: GET READY FOR SEPTEMBER!
Visit welcome.uwo.ca/preparing for useful information about getting ready for your arrival at Western in September.

The Student Center:
- Allows you to follow your application through the admissions process online in one central location.
- Provides you with a personalized To Do List informing you of any documents required to complete your application. The details link lets you know if those documents have been received at Western’s Main Campus Admissions Office.
- Continues as your personal portal for course registration, grades, tuition account information and more.

REMEMBER: It is your responsibility to follow the instructions to gain access to the Student Center and check periodically for information pertaining to your application.

TIPS

PASSWORD: Do not share your password with anyone. It is best to memorize your password. If you must write it down, keep it in a secure place where no one else will be able to access it. If you believe your password has been compromised, you can change your password through the Information Technology Services Password Help webpage: password.uwo.ca

POP-UP BOX FEATURE: Ensure that your pop-up box feature is configured to allow all pop-ups from Western. If you experience difficulty with this process, please contact Student Central via email at contact@uwo.ca or by telephone at 519.661.2100.

EMAIL: You will receive email notifications from the Admissions Office about the progress of your application. Make sure that the email address you provided on your application is YOUR active personal email address, otherwise you will miss communications from Western. It is important to make sure you add the Western University internet domain “@uwo.ca” to your email provider’s safe senders’ list to avoid our messages being sent to your junk or spam folders.

ADMISSION INFORMATION

The information below outlines Western’s minimum requirements for admission consideration. Admission to Western is competitive and space is limited. Having the minimum requirements listed should not be viewed as a guarantee of admission.

Ontario Secondary School
You must complete an Ontario Secondary School Diploma including each of the following to be considered for admission:

• Six Grade 12 U and/or M level courses (excluding co-op);
• English ENG4U; and
• Prerequisites for your program as specified by Western.

Additional Admission Information

• There is currently no limit on the number of Grade 12 M courses used in the calculation of your admission average.
• Co-op courses will not be included in the calculation of your admission average.
• If a course has been taken more than once, the highest reported successful grade in the course will be used in the calculation of your admission average.
• Western’s Main Campus does not extend automatic alternate offers of admission. If you wish to be considered for more than one program, list each as a separate choice on the OUAC application form.
• Applicants who are not currently registered in an Ontario secondary school day study program should complete the appropriate OUAC 105 application form.
• Applicants attending secondary school after completing college and/or university courses must apply using a 105 application form. You must disclose this information on the application form and submit official transcripts to the Undergraduate Admissions Office. Failure to disclose any postsecondary attendance will automatically result in the cancellation of your application, withdrawal of an offer of admission and immediate de-registration from the University.

For additional details about admission requirements for Ontario secondary school applicants, refer to pages 7-9 or visit our website at: welcome.uwo.ca/admissions/admission_requirements/canadian_secondary_school/ontario_secondary_school_applicants.html

Advanced Placement Exams
If you are registered in Advanced Placement (AP) courses, and if you achieve a minimum of 4 out of 5 on your final AP exams, you may be considered for transfer credit to a maximum of two full credits as approved by the appropriate faculty. Final AP results must be received by the Admissions Office no later than August 1, 2018. For a list of transferable courses please visit our website: welcome.uwo.ca/admissions/admission_requirements/canadian_secondary_school/advanced_placement.html

International Baccalaureate (IB) Applicants
Ontario high school applicants who are currently completing the full International Baccalaureate Diploma program, including each of the following, may be eligible to receive transfer credit:

• Six subjects, of which three must be at the Higher Level;
• A minimum grade total of 28*, including bonus points awarded for the successful completion of the Extended Essay and Theory of Knowledge;
• No mark less than 4 on any individual subject; and
• Prerequisites for your program as specified by Western.

You are eligible for transfer credit consideration for most Higher Level subjects with a score of 5 or higher if you have successfully completed the full IB diploma and meet Western’s admission criteria.

*The minimum grade total quoted above is the minimum required for admission consideration. Competitive admission based on predicted results is usually in the low to mid 30s and can vary depending on the program.

For a list of courses eligible for transfer credit, please visit our website: welcome.uwo.ca/admissions/admission_requirements/canadian_secondary_school/international_baccalaureate.html

</table>

*Estimates are provided as a guide only. Admission to Western is competitive. Possession of an average in the anticipated range does not guarantee admission.

**Grade 11 3U and/or 3M level courses may be required as prerequisites, however, they will not be used in the calculation of the admission average.
At Western, admission consideration is based on academic qualifications along with evidence of English proficiency for those applicants whose first language is not English. You must, therefore, submit proof of English language proficiency as part of the application process otherwise your application may not be assessed.

Western is an English language university and it is important to your success at Western that you are proficient in both spoken and written English. All students must demonstrate the ability to speak and write clearly and correctly. To encourage aptitude in the use of the English language, Western’s instructors consider proficiency in English when assigning grades. Work presented in English in any subject, at any level, which shows a lack of proficiency in English may either be failed or, at the discretion of the instructor, returned to the student for revision to a literate level.

At the discretion of the University, applicants with an English proficiency score disparate to their academic English prerequisite achievement may be asked to present further evidence of English proficiency.

**ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS**

If your first language is not English, you will be required to provide acceptable proof of English language proficiency. You are encouraged to write a test at the earliest possible date and before March 2018. Scores for any test written before January 1, 2016 may not be accepted. The Undergraduate Admissions Office reserves the right to require any applicant to write a test of English proficiency.

Additional details regarding acceptable proof of English proficiency can be found on our website: [welcome.uwo.ca/admissions/admission_requirements/english_language_proficiency.html](welcome.uwo.ca/admissions/admission_requirements/english_language_proficiency.html)

**Note:** English language proficiency requirements for admission to Undergraduate Nursing programs are different than requirements for other programs at Western. For further information, please refer to: [uwo.ca/fhs/nursing/undergrad/bscn/admissions.html](uwo.ca/fhs/nursing/undergrad/bscn/admissions.html)

</tr>
</tbody>
</table>
FAQS FOR APPLICANTS

What is the Student Center?
The Student Center is a website where you can check the status of your application and receipt of various documents by Western. To access the Student Center you need to obtain your Western Access Code and then activate your Western Identity. On the website below follow the instructions under Students and Student Applicants to perform these two tasks or refer to page 4 in this brochure for information.

Can I change the program to which I have applied?
To change your program choice prior to receiving an offer of admission, return to the Ontario Universities’ Application Centre (OUAC) website and make the change in your application. If you have already received an offer of admission and would like to change your program, please contact the Admissions Office directly.

Tel: 519.661.2100

Does Western take into account my extenuating circumstances or volunteer experience when making an admissions decision?
Western’s Special Consideration Profile provides an opportunity for you to share (with Western’s Admissions Committee) any extenuating circumstances that have adversely affected your grades. Extenuating circumstances may include disability, personal illness, financial circumstances, required employment, family illness or other personal or family matters. Submission of this form is voluntary. The deadline to submit the profile is March 1, 2018.

Western’s Extraordinary Extracurricular Activities & Contributions to Citizenship Profile form is designed to recognize a candidate’s commitment to extracurricular activities and active citizenship through ongoing contributions to school and community life. Students who feel that their average will fall marginally below the University’s minimum admission requirements and who have made significant contributions are eligible to submit a profile. The deadline to submit the profile is March 1, 2018. Submission of this form is voluntary.

Complete only the profile that applies to your situation. Both of these forms are available online at: welcome.uwo.ca/admissions/forms

When will I find out if I have been admitted to Western?
Offers of admission are extended from December to mid-May. All document requests and admission decisions will be communicated on your Student Center. Be sure to check it regularly.

student.uwo.ca

If I am not eligible for the program of my choice, will I receive an offer to an alternate program?
Western does not offer admission to alternate programs if you are not eligible for the program to which you applied. We recommend that you apply to all programs that interest you. If after making your original application, you would like to be considered for another program, you must return to the 101 Online Application section of the OUAC website and amend your program choice.

If I have accepted an offer at another Ontario university and I would like to accept the offer I received from Western instead, what should I do?
To accept Western’s offer of admission, you must return to the 101 Online Application section of the OUAC website. You can only accept one university at a time. Accepting Western’s offer of admission will cancel your previous acceptance of the other university’s offer.

Can I defer my offer of admission until next year?
Deferrals of admission may be granted to secondary school students. A written request must be sent to the Admissions Office outlining reasons for your deferral request. If the deferral is granted, a $250 (CAD) deposit will be required. A deferral will not be granted to those students who will be studying at another postsecondary institution during the year between graduating from secondary school and attending Western.

Please contact the Admissions Office for further information.

My address has changed, how do I inform you?
If your address changes before you come to campus in September, you must return to the 101 Online Application section of the OUAC website and change your address there. Otherwise, if you have activated your Western Identity, you can change your address on the Student Center.

When will I find out if I will be receiving an admission scholarship?
Admission scholarships are determined on the basis of your final admission average, including prerequisites, as calculated by the University. Applicants should not expect that admission scholarships will be deducted from tuition before the first payment is due. Information about admission scholarships is available on page 14. Information about other scholarships or bursaries can be found on the Office of the Registrar’s website.

Registrar.uwo.ca/student_finances

Will I get an offer of residence?
Housing accommodation is guaranteed if you are a single student without children, graduating from secondary school and receiving an offer of full-time, first year admission for September.

When is the residence prepayment due? When do I move into residence?
When you receive an offer of admission, you may also receive an offer of residence. The residence prepayment is required by the deadline indicated on your offer of admission to hold your place in residence. If you pay the prepayment and decide not to come to Western prior to August 1, 50 per cent of the prepayment will be returned to you. Information will be sent to you in July about your residence assignment and move-in day. The first installment of residence fees is due by August 1.

Where do I go for program/course planning advice?
Once admitted, if you are looking for assistance selecting your first year courses and guidance as to whether you have chosen the most suitable program for your educational and career goals, then plan to attend Summer Academic Orientation (SAO). The goal of SAO is to help first-year students select their courses, learn more about Western’s services, explore our campus and meet members of our community before starting school in September. SAO is held from mid-June until the end of July each summer. If you are unable to visit the campus in person for SAO, phone counselling appointments can be arranged.

Sao.uwo.ca

When are tuition fees due?
Your individual due date will be reflected on your Detailed Statement of Account which is accessible through the Student Center.
The Western Guarantee

Ranked among the top 1% of universities worldwide, Western offers the best student experience inside and outside the classroom. And the best student experience comes with a guarantee for first-year students.

Admission Scholarships
To recognize your academic achievement, we will offer you an admission scholarship ranging in value from $1,000 for one year, to $10,000 ($2,500 each year for four years) if you are admitted based on your secondary school diploma, and your final admission average, including prerequisite courses as calculated by Western, is 88 per cent or greater. Western will determine averages for applicants who are not studying in a Canadian secondary school curriculum based on: curriculum, grading practices, grading scale interpretation and performance of previous students from that curriculum while at Western.

The First-Year Courses You Want
Western offers more than 400 different specializations, majors and minors at the undergraduate level. Choose the first-year courses you want for the program in which you are enrolled on Main Campus and, as long as you have the prerequisites, we will guarantee you a spot in 1000-level introductory courses on Main Campus.

A Place to Live in Residence
Experience the convenience, safety and support of living on campus. We guarantee you’ll start your new life at Western in one of our great residences, if you are a single student, without children, graduating from secondary school who has received an offer of full-time, first-year admission for September 2018. See residenceatwestern.ca for requirements.

An Extraordinary Student Experience
Learn from our brightest professors and researchers. Live in the best residence system and study on the most beautiful campus in the country. Complement your academic program with an exceptional range of curricular, co-curricular, and extracurricular activities. Gain valuable career experience through internships, co-ops, job shadowing and volunteer programs, locally, nationally and internationally. It’s all part of Canada’s Best Student Experience.

Scholarships & Awards Program

National Scholarship Program

Application deadline: February 14, 2018

The National Scholarship Program rewards outstanding academic performance, creative and innovative thought and exceptional achievement in extracurricular activities. An application, which includes a nomination from your secondary school and an essay, is required for consideration. All applicants must have a minimum overall academic average of 90 per cent. Eligibility is dependent on citizenship.

We encourage you to visit our website to obtain full details, important eligibility information and application instructions. The application will be available in November.

Schulich Leader Scholarships

Western is one of the 20 participating university partners of the Schulich Leader Scholarships. These prestigious undergraduate scholarships support students pursuing studies in STEM subjects: Science, Technology, Engineering and Mathematics. They are valued at $100,000 for Engineering and $80,000 for Science. To learn more visit: schulichleaders.com

Admission Scholarships

Western’s Admission Scholarships are unlimited in number and automatically awarded upon registration at Western. To be considered for an admission scholarship you must apply directly from secondary school to Western’s Main Campus for full-time, first-year studies. No application is required for consideration. International students are eligible to be considered for Western’s Admission Scholarships. For full details and important eligibility information please visit our website:

*The Don Wright Faculty of Music will select the Continuing Admission Scholarship recipients for the Music program.

Other Entrance Scholarships and Awards

In addition to the unlimited Western Admission Scholarships, Western also offers faculty-specific entrance scholarships and awards with varying values and criteria established by the University, alumni, private donors and corporations who wish to recognize the achievements of Western students. These entrance awards are combined with the Western Admission Scholarship program. The award will be given in addition to, or replace the student’s existing Western Admission Scholarship, and be of either equal or greater value. No application is required for consideration.

registrar.uwo.ca/student_finances/scholarships_awards/admission_scholarship_program.html
Student Financial Services and Student Financial Aid provide financial support and guidance to students during their time at Western through a variety of financial aid programs.

**Financial Aid**

**Student Financial Services and Student Financial Aid**
- Administers the Western scholarship, bursary and work study programs.
- Administers the Ontario Student Assistance Program (OSAP) and other government-assistance programs, such as the Part-time Canada Student Loan Program, Canada Study Grants for Part-time Students, Institutional Special Bursary Program and Bursary for Students with Disabilities Program.
- Provides financial counselling and budgeting assistance.
- Liaises with the Ministry of Advanced Education and Skills Development, the National Student Loan Service Centre, banks, and other services/agencies to assist students with all government loan programs.

**Bursaries**
Bursaries are non-repayable grants awarded on the basis of financial need. Western offers two types of bursaries:

**Admissions Bursaries**
- Awarded to students entering Western’s Main Campus for full-time, first-year studies directly from secondary school (application available by the end of January).

**In-Course Bursaries**
- Available to students in their upper years or to entering students who did not apply for an Admission Bursary.
- Students must complete an online Financial Assistance Profile Application for consideration.

registrar.uwo.ca/student_finances/bursaries.html

**Work Study**
Western’s Work Study program offers upper-year students in financial need the opportunity to work part-time on campus in jobs that accommodate their studies. There are more than 2,000 on-campus employment opportunities with flexible work arrangements.

registrar.uwo.ca/student_finances/work_study.html

**Ontario Students**
The Ontario Student Assistance Program (OSAP) is a government-funded financial assistance program for residents of Ontario and is an excellent primary resource for students to consider. The application process is free and students may receive an estimate for funding.

ontario.ca/osap

**Non-Ontario Students**
Students can apply for assistance through their provincial Ministry of Education. Each province in Canada has its own application process. Please visit the appropriate provincial website for more details.

registrar.uwo.ca/student_finances/osapgovernment_loans/out_of_province_loans.html

**International Students**
Immigration, Refugees and Citizenship Canada (IRCC) requires all international students to prove that they have adequate resources before they may be admitted to Canada. Consequently, a bursary will normally be awarded only if there is evidence that circumstances have changed since their arrival in Canada.

iesc.uwo.ca/finaid

*Note:* All costs and fees are estimates and are based on the 8-month academic year.

**Tuition fees, books and supplies**
(being on your program of study)

- $9,500 – $16,000*

**Living costs – away from home**
(depending on choice of residence or off-campus living)

- $11,750 – $17,000

**Living costs – at home**

- $4,040

*Tuition, books and fees for international students can be found online:
registrar.uwo.ca/student_finances/fees_refunds/fee_schedules.html
Western Residences offer more than just a place to eat and sleep. Residence life engages and connects you to the University community and fosters your growth as a leader. There are ample opportunities for leadership and involvement in a range of activities.

Living on campus puts you at the centre of everything.

In residence, you are steps away from class, Western’s many libraries, the state-of-the-art Western Student Recreation Centre (WSRC) and the University Community Centre (UCC). Bus stops are located close to every residence so you can easily travel off campus when required.

Residence Amenities

- Workout rooms, private music practice rooms and laundry facilities
- In-building dining halls with a varied six-week menu cycle
- Main lounges for residence events equipped with ping-pong and pool tables, couches and large screen TVs
- Access to 24-hour Front Desk service
- Regular caretaking from our Facilities Management staff
- Designated study rooms for your floor

We offer nine residences with three different room styles: traditional-style with single or double rooms and shared common washrooms on each floor; hybrid-style with mostly double-room units and semi-private washrooms; and suite-style with single bedrooms, semi-private washrooms, shared cooking facilities and a common living area.
WHY REZLIFE?

Healthy Dining
Our flexible meal plan gives you easy access to residence dining halls and campus eateries, plus many off-campus meal plan partners. Our chefs prepare a wide selection of food in-house, so there’s always something new to try. Allergies? Dietary restrictions? No problem. Our packaging is labelled and nutritional content is available online for our menu items. Furthermore, you can work with our Nutrition Manager for assistance in making healthy food choices. Vegetarian, vegan, gluten-free and nut-free options are offered daily.

The Academic Edge
Studies have shown students who live in residence do better academically than their off-campus peers.† Our Living Learning Communities are made up of like-minded students to create fluidity between the academic and home environments. An Academic and Leadership Programmer (ALP) works in each residence to provide coaching, academic resources, academic programming, exam review sessions, study skill workshops, or to simply form study groups — all right where you live!

Getting Involved and Growing Your Skills
Expand your personal and professional skills through involvement in numerous academic, social, cultural and recreational activities just steps away from your front door. By getting involved in your Residents’ Council or becoming a Residence Staff member or Residence Soph, you can gain valuable leadership skills to help you land your dream job when you graduate.

Focus on Safety
In residence, access to buildings and/or the residential areas of buildings is restricted 24/7 by a locked door controlled by card access. Our Front Desk staff are just a phone call away, and residence student staff live on each floor and are on-call during evenings and weekends.

Clean and Cared for Facilities
We’re continually upgrading and renovating our residences to ensure you enjoy high quality, well-equipped accommodations. Common areas and shared washrooms on your floor and throughout your building are cleaned every day. We also provide regular room cleaning.

Seamless Move-in
Our 850 student volunteers (Sophs) ensure your move-in day is stress free. With your consent, we’ll unpack your vehicle and ensure your belongings are taken straight to your room.

Memories to Last a Lifetime
Residence enables you to meet new people, make connections with hundreds of other students and engage with the greater Western community. Residence is where lifelong friendships begin.

*All rates cover the eight-month academic year (September 2017 to April 2018), and are subject to change upon approval by Western’s Senate and Board of Governors. In our traditional and hybrid residences, most first-year students are assigned double rooms. **Upper-year residence for second-, third- and fourth-year students. ***Meal Plan rates are made up of overhead (non-refundable) and total food credit (refundable). All residents are required to purchase a mandatory meal plan (except those placed in Alumni House and London Hall).
FIND THE SUPPORT YOU NEED

A university degree is an important investment in your future. From Canada’s most comprehensive Orientation Week to ongoing individual assistance, Western is here to support you every step of the way throughout your academic career.

When you graduate from Western you will be prepared to conquer the next phase of your life, whether that is employment, graduate school or something completely different. Learn more about the services we have available to help you reach your goals: welcome.uwo.ca/student_experience/services.html

The following centres and services are available to help you determine your next steps toward reaching your goals.

The Student Success Centre: Careers, Leadership & Experience offers programs and services designed to help you discover the best that you can be, including leadership development and career exploration opportunities, skills development, mentoring, community engagement opportunities and social networks – just to name a few. The Student Success Centre will help you become actively engaged in learning inside and outside the classroom.

success.uwo.ca | successcentre@uwo.ca
519.661.3559

Student Development Centre (SDC) is home to a variety of services, provided by highly trained and experienced staff members, that are specially designed to meet the needs of students. Programs include Psychological Services, Services for Students with Disabilities, the Writing Support Centre, Learning Skills Services and Volunteers in Progress.

sdc.uwo.ca | 519.661.3031

Indigenous Services is committed to supporting Indigenous students in reaching their highest potential through encouragement, culturally responsive programming and advice; from applying for admission right through to graduation and beyond.

indigenous.uwo.ca | is.staff@uwo.ca

Propel Entrepreneurship Centre can help you navigate your entrepreneurial journey from conceptualization to commercialization. As Western’s on-campus resource for entrepreneurs, Propel equips startups with the resources, skills, space and network they need to succeed. Services include co-working space, mentorship, seed funding, Propel Summer Incubator program (PSI), retail opportunities, workshops and training, advocacy and promotion, pitch competitions and other events.

Student Support

Western offers numerous student support networks to help you achieve success at university.

We provide culturally sensitive and inclusive services to all students while embracing the multiculturalism which defines our campus body and we are an LGBT2Q positive space.

Mentorship

Western offers mentorship opportunities in many different forms. Our goal is for every student to have a smooth and successful transition to university life.

Career Planning

Career planning takes careful self-reflection and research. Western has the tools you need to evaluate your options, discover career opportunities and plan for the future.

Work and Volunteer Experience

Western offers many opportunities for you to explore various careers and gain transferable skills through hands-on experiences.
Western offers numerous student support networks to help you achieve success at university. We provide culturally sensitive and inclusive services to all students while embracing the multiculturalism which defines our campus body and we are an LGBT2Q positive space.

- **Summer Academic Orientation (SAO):** Register for courses. Ask questions about your program. Learn more about student life.
- **International and Exchange Student Centre (IESC):** Access information and get help with immigration regulations, financial, cultural, career and personal issues.
- **International Peer Connection (IPC):** Connect with a Peer Guide for assistance with cultural and transitional issues.
- **Learning Skills Services:** Drop by the Peer Assisted Learning (PAL) Centre for subject-specific help and assistance with various learning skills (i.e., time management, exam preparation).
- **Services for Students with Disabilities (SSD):** Meet with a counsellor to explore arrangements the University can make to accommodate your needs.
- **Writing Support Centre:** Participate in our Summer Academic Writing Clinic (SAWC), free one-to-one writing support sessions, online support, writing seminars and drop-in services.
- **University Students' Council:** Meet other students by joining our clubs community or access our Peer Support Centre for peer-to-peer support in a welcoming environment.

**93% RETENTION RATE FROM FIRST TO SECOND YEAR**

- **Leadership Education Program (LEP):** Participate in a series of workshops on topics such as career management, communications, conflict management and diversity.
- **Leadership and Academic Mentorship Program (LAMP):** Partner with a peer mentor from your Faculty or program to discuss programming, extracurricular activities, student life and more.
- **Student Associations:** Society of Mature Students (SMS), Out of Province Student Association (OPSA), Society of Off-Campus Students (SOCS)

**93.5% OF GRADUATING STUDENTS WOULD RECOMMEND WESTERN TO A FRIEND**

- Individual career counselling and career assessments
- Classes, conferences and workshops targeted toward finding a career path and conducting a strategic job search
- Job, career and education fairs and networking events where we bring employers to campus to network with you
- CareerCentral – an online portal for event registration and job postings including, part-time, on-campus, full-time, volunteer, internship and experiential opportunities
- Western’s Employment Resource Centre (WERC) – a drop-in service where you can find assistance with resumés, cover letters, CVs and LinkedIn profiles
- Career resources within faculties

**94.6% EMPLOYMENT RATE – TWO YEARS AFTER GRADUATION**

- Work Integrated Learning: Internship, co-op, practicum, job shadow and fieldwork
- Volunteers in Progress (VIP) and Western’s Volunteer Program (WVP)
- Work study
- Domestic and international Community Engaged Learning (CEL) courses in many faculties
- Orientation Serves (throughout September) and the Western Serves Network (on-going)
- Alternative Spring Break (ASB)
- Faculty-led study abroad programs

**2,000+ UNDERGRADUATE WORK STUDY AND PAID POSITIONS ON CAMPUS**
CONNECT THE CLASSROOM TO REAL-WORLD EXPERIENCES

Western offers many opportunities inside and outside the classroom for you to apply your academic knowledge in real-world settings. With experiential learning, you can complement your studies with relevant, rewarding experiences that help you develop transferable skills and refine your career options.

**Western’s Co-Curricular Record**
You can also showcase all of your activities in an official document known as Western’s Co-Curricular Record (WCCR). Whether it’s a workshop, a club, an international learning experience or a leadership position, you can track your experiences – and learning – using this online tool. Activities connect to 10 core areas of development, including Career Preparation, Commitment to Learning, Communication, Diversity, Engaging in the Arts, Global Awareness, Health and Wellness, Leadership, Self-Awareness and Social Responsibility.

[myexperience.uwo.ca](http://myexperience.uwo.ca)

**Internship & Co-op**
Gain the relevant knowledge and skills required to enter a particular employment sector. Participate in paid or unpaid, short-term or long-term, local or international placements for academic credit or for a non-credit course. Check with your Faculty or The Student Success Centre to see if there is an option for your degree program. You can also search for international internship and research opportunities on Western’s international learning website.

[internship.uwo.ca](http://internship.uwo.ca)
[international.uwo.ca/learning](http://international.uwo.ca/learning)

**Job Shadow**
Test-drive a specific job or employment sector to see if it is a good fit for your skills, interests and career plans. Job shadow connects you with future employers in informal – but meaningful – ways and provides you with a ‘sneak peek’ into a work world that lies just beyond graduation.

[jobshadow.uwo.ca](http://jobshadow.uwo.ca)

**Fieldwork**
Integrate theory and skills learned in the classroom or laboratory into real-world environments. Mainly concentrated in the natural and social sciences such as biology, earth sciences, geology, anthropology and archaeology, fieldwork allows you to work in teams to improve your communication, team work and problem-solving skills.

[fieldwork.uwo.ca](http://fieldwork.uwo.ca)
Community Engaged Learning (CEL)
Link your classroom education with community-based projects and see your learning come to life through CEL classes in most disciplines. Build your résumé through hands-on learning that makes a tangible impact in the community. Get involved with non-profits during your first week at Western with Orientation Serves, and continue throughout your time at Western with the Western Serves Network.

[Link to CEL website](cel.uwo.ca)

Alternative Spring Break (ASB)
Spend an unforgettable spring break travelling with faculty and staff team leaders to participate in week-long service projects in local, national and global communities. Past service projects have included Habitat for Humanity builds in New Orleans; teaching English in the Dominican Republic; and constructing an accessible washroom in Peru.

[Link to ASB website](asb.uwo.ca)

Western Heads East
Collaborate with East African partners and Western students, faculty and staff to use probiotic food to contribute to health and sustainable development in areas such as Tanzania, Kenya and Rwanda. There are also opportunities to contribute to the program here at home.

[Link to Western Heads East website](westernheadseast.ca)

Western Entrepreneurship
Kickstart your career with Western Entrepreneurship. Participate in experiential opportunities to advance your ideas outside the traditional classroom (i.e., hackathons, startup summits, workshops, bootcamps, mentorship events, pitch competitions, etc.). Get ready to innovate, create and test prototypes.

[Link to Western Entrepreneurship website](uwo.ca/entrepreneurship)

Undergraduate Research Opportunities
Conduct research with impact. As an undergraduate student, you can participate in research and take your ambition to another level; apply for research fellowships and awards with various funding councils; and complete an internship or co-op with industry or one of Western’s research centres or institutes.

[Link to Undergraduate Research Opportunities website](uwo.ca/research)
Learning without Borders
Spread your wings and discover the world while earning your degree at Western. Whether you want to study, volunteer, complete an internship, work abroad or participate in international learning at home, we offer a wide range of opportunities to integrate international experience into your university career. For example, you can study for a semester in Singapore; uncover traces of the Roman Empire during an archaeological dig in northern England; intern at a multinational company in India; participate in a summer opera program in Italy; or volunteer with a Community Engaged Learning program in Costa Rica.

- Develop intercultural skills
- Learn a new language
- Apply your learning in a new setting
- Become a global citizen

More than $200,000 in financial support is available annually through the Global Opportunities Awards, and a new International Learning Award provides support for students going abroad in their third year. Additional scholarship programs provide unique experiences in particular countries, regions or institutions.

Global and Intercultural Engagement Honor
Give your degree global appeal with Western’s Global and Intercultural Engagement Honor recognizing students who have engaged in both academic and extracurricular activities with a global or intercultural focus. You can accumulate points during your time at Western through activities at home or abroad, and then attend an intercultural workshop.

Once achieved, the Honor will appear on your official transcript upon graduation. What better way to gain the global experience and intercultural skills employers are looking for, all while pursuing your own passion for international learning?

A World of Choice
Western’s International Exchange Program gives you the opportunity to study at more than 135 universities in 39 countries, including Australia, China, Denmark, France, Germany, Hong Kong, India, Japan, Korea, Mexico, the Netherlands, New Zealand, Singapore, Spain, Sweden, the United Kingdom and the United States.

- Pay your tuition to Western and earn credits toward your degree
- Scholarships are available to support your international experience
- Many partner universities offer courses taught in English

Start planning your international experience now by exploring all the options at: international.uwo.ca/learning

International Learning Award

Your destination options include:
- Academic exchange
- Summer study abroad
- Field courses
- Alternative Spring Break
- Community engaged learning
- Internships
- Research
- Other University-led experiences

* Experiences must be Western-approved activities. Full requirements online.

Western Student Recreation Centre (WSRC)
This $35-million, state-of-the-art facility was made possible by the largest student donation in history at a Canadian university.

Features include:
• 20,000 square-foot fitness centre with more than 200 cardio machines
• Eight-lane, 50-metre pool
• Squash/racquetball courts
• Five gymnasiums
Registered students receive a WSRC membership, funded through a small recreation fee within their activity fees.

Membership includes access to:
• Drop-in group fitness classes
• Fitness Centre
• Drop-in gym activities such as basketball and badminton

Intramural Sports
With more than 1,200 different teams and 15,000 participating students, Western has one of the largest intramural sports programs in Canada.

Sport Clubs
Western’s Recreational Sport Clubs are sanctioned organizations, established by students who share a common interest in a particular sport or physical activity.

We also offer 19 clubs covering a wide range of activities from badminton to karate to triathlon. At Western, there is something for everyone.

GET INVOLVED | STUDENT CLUBS
westernusc.ca/clubs

Clubs are a fundamental aspect of student life on campus. Run by the University Students’ Council (USC), Western has more than 10,000 members participating in 191 clubs across campus.

The Clubs Community is the easiest way to get involved at Western. Joining a club opens up many opportunities for you to enjoy a balance between academic life and extracurricular activities. From community volunteering and philanthropy clubs, to political, cultural and musical interests, if you have a passion, we have a club for you.

Join a club or create your own
Meet new people and become more involved in your Western community as a club member, or join a clubs’ executive team to gain interpersonal and professional skills by organizing and planning different activities for your club.

Can’t find the club for you? Start your own! The USC welcomes new clubs to campus every year. Gain leadership skills while bringing students together with a common interest.

Faculty-specific clubs
All Faculties across campus offer Faculty-specific student clubs, groups and teams such as student associations, program-specific societies, student support groups and more. Visit our Faculty websites for more information.
Bright, Diverse & Satisfied Students
- More than 38,000 students from 127 countries around the world
- A mean entrance average of 89.6% (of all registered incoming secondary school students in 2015)
- An astounding first to second year retention rate exceeding 93%
- Graduation rates that exceed the Ontario system
- 22 Rhodes scholarship recipients have come from Western
- 93.5% of our graduating students would recommend Western to a friend

First-Rate Residence System
- Ranked one of the best residence experiences among large universities in Canada
- Nine residences and three residence styles: traditional-, suite- and hybrid-style
- Meal plans to suit your tastes and dietary requirements
- Safe and inclusive environment within walking distance to lecture halls, libraries, recreation facilities and other services

Unique Programs & Academic Choices
- More than 400 undergraduate programs and 88 different graduate degree programs
- 11 Faculties and a School of Graduate & Postdoctoral Studies
- Modular undergraduate degree structure
- Unique programs for high-achieving students, including:
  - School for Advanced Studies in the Arts & Humanities (SASAH)
  - Scholar’s Electives
  - Western Scholars
  - Ivey Advanced Entry Opportunity
  - Western Integrated Science (WISc)

Award-Winning Faculty & Staff
- More 3M National teaching award-winning faculty than any university in Ontario (second in Canada)
- Named among Canada’s Top 100 Employers
- 3,860 dedicated full-time faculty and support staff on Main Campus
- One of Canada’s Top 10 research-intensive universities
The Western Guarantee
• Admission scholarships
• The first-year courses you want
• A place to live in residence
• An extraordinary student experience

Classroom Connections to Real-World Experiences
• Experiential Learning: Alternative Spring Break, Community Engaged Learning, Propel Entrepreneurship Centre, Leadership and Mentorship, Western’s Volunteer Program, Western Heads East – to name a few.
• Leadership: Student government, Leadership Education Program, faculty and residence councils, student clubs and student associations, varsity sports, and one of the largest intramural sports programs in Canada.
• Western’s Co-Curricular Record: Showcase your experience to employers.

Support Networks for Work Experience
• More than 2,000 undergraduate work study and paid positions on campus
• Internship, co-op, job shadowing, fieldwork and volunteer opportunities off campus
• 94.6% employment rates for Western grads – two years after graduation
• Numerous student support networks are available throughout campus to help you achieve success.

Exceptional Financial Support
• National Scholarships valued from $30,000 to $65,000
• Guaranteed admission scholarships valued from $1,000 to $10,000
• Robust financial aid, student award and work study programs

Global Connections
• 4,300 international students from 127 countries
• 292,181 alumni in 154 countries worldwide
• International exchange and study abroad opportunities at 135+ institutions in 39 countries
• A Global and Intercultural Engagement Honor to complement your degree
• International internship, volunteer and research opportunities

A Beautiful Campus
• Founded in 1878, Western is one of the most picturesque campuses in North America, situated along the banks of the Thames River in London, Ontario.
• Western’s gothic architecture and our ivy-covered campus blend in seamlessly with 1,200 acres of rolling hills and endless scenic locations to study, chat with friends or relax.

The Western Guarantee
• Admission scholarships
• The first-year courses you want
• A place to live in residence
• An extraordinary student experience
FALL IN LOVE WITH LONDON, ONTARIO

With a diverse population of more than 383,000, London is an educational, cultural and economic hub of southwestern Ontario.

Living in London
London offers the best of both worlds – big city excitement with a small town feel. It’s a city that knows how to have fun and make everyone feel welcome.

Shopping
From the unique, independent retailers along Richmond Row and in Wortley Village to the trendy stores in suburban shopping malls, London is a great place to shop.

Dining
London offers it all: intimate cafés, pubs, fine dining and walk-up souvlaki stands. London has an eclectic mix of chefs bringing the hottest culinary trends to the city. Foodies will also enjoy exploring the locally produced offerings at Western’s Farmers’ Market, the Covent Garden Market or the Masonville Farmers’ and Artisans’ Market.

Nightlife
A lively collection of nightclubs, pubs and live theatre, as well as various dining opportunities, makes Richmond Row the place to be seen. You’ll find today’s hottest artists in the heart of downtown at the 10,000-seat Budweiser Gardens. Movie fans can choose from Western Film and a variety of screens around town.

Recreation
Affectionately called the Forest City, London boasts an extensive trail system for walking, running, biking or inline skating. Tree-lined trails run along the Thames River – right into Western’s campus. Winter sports can be enjoyed at London’s Boler Mountain, while indoor and outdoor ice rinks are a popular choice for skaters and hockey players. In the summer, Londoners take a short drive to the beaches of Grand Bend (Lake Huron) or Port Stanley (Lake Erie) or enjoy the many parks London has to offer.

Sporting Events
London’s got game! The London Knights (hockey), the London Majors (baseball), and the London Lightning (basketball) keep the excitement going year-round at prices students can afford.

Culture
London is home to a thriving creative community, from the professional offerings of the Grand Theatre and Museum London, to countless other museums, community ensembles, theatre troupes and specialty galleries. On Western’s own campus, we offer various activities for you to connect with your artistic side – everything from our McIntosh Art Gallery to noon-hour ensembles in the Don Wright Faculty of Music to various theatrical productions and fashion shows put on in the Paul Davenport Theatre.

Festivals
Londoners love to celebrate diversity. Our city is home to numerous festivals year-round including Sunfest, Rock the Park Music Festival and Pride London Festival.

Getting Here
London is easily accessible by car, bus, train or plane. The 401, a 400-series highway that stretches from Windsor to Québec, brings you directly to our city’s edge with easy access to campus from three different highway exits. Via Rail and Greyhound have terminals downtown, and WestJet and Air Canada fly out of the London International Airport on a regular basis. The London airport code is YXU.

Travelling Within London
Every full-time Western undergraduate student is provided with a London Transit bus pass. Numerous stops are available throughout London, Western’s Main Campus and our surrounding Affiliated University Colleges. During exams, the University Students’ Council offers a free late-night shuttle service so students have a safe way to get to and from campus. Taxi and limousine services are available 24 hours a day for your in-town and out-of-town travel needs.
Gamal Assaad

Hometown: Oakville, ON
Program: Mechanical Engineering

“I love living in London because it is affordable and has access to lots of dining, shopping and other activities close to student living areas. I like spending time with my friends hanging out at cafés on Richmond Row and taking walks at Gibbons Park with my girlfriend.”
YOUR EXTRAORDINARY FUTURE STARTS HERE

Since 1878, Western University has been a destination of choice for the world’s brightest minds seeking the best learning experience at a research-intensive university.

PAVE THE ‘RHODES’ FOR SUCCESS

Western is very supportive of the Rhodes Scholarship program which is recognized among the world’s most prestigious and best-known student awards. We are extremely proud of our 22 successful candidates, including Saumya Krishna, BHSc’13, a Health Sciences graduate who went on to study sociology and globalization at Oxford University. Today, Saumya is an Associate with McKinsey & Company, a global management consulting firm that serves leading businesses, governments, non-governmental organizations and not-for-profits.

BECOME THE NEXT GLOBAL PIONEER IN STEM

Since 2012, Western has welcomed 14 recipients of the Schulich Leader Scholarships, a prestigious award given to students pursuing studies in science, technology, engineering or mathematics (STEM) at a top Canadian university. This year, two high-achieving students began their studies at Western: Luke Ingratta (left) and Joy Shah. Luke joined the Faculty of Science and Joy entered Western Engineering.
For 135 years, Western has graduated alumni who are respected innovators and influencers in their field. Some of our notable alumni include Dr. Margaret Chan, BA’73, MD’77, DSc’99, former Director-General of the World Health Organization; Stephen S. Poloz, MA’79, PhD’82, Governor of the Bank of Canada; and Cameron Bailey, BA’87, Artistic Director of the Toronto International Film Festival.

DEVELOP LIFE-CHANGING FRIENDSHIPS

In 2006, Phil Pallen, BA’10 (MIT), and Lauren Moore, BA/BHSc’10, were two Western frosh trying to make new friends during the chaos of Orientation Week. A decade later, that friendship has blossomed into a brand-strategy business partnership that’s taking the pair around the world, from working with reality show celebrities in Los Angeles to conducting brand-building workshops in spots like New York, Orlando, Stockholm and London.

MAKE YOUR DREAMS A REALITY

Michael Katchen, HBA’09, has been named to Canada’s Top 40 Under 40 for 2017. He is the founder and CEO of Wealthsimple, the largest online investment manager in Canada. The financial technology company offers an alternative to traditional ways of managing investments, catering to consumers — in particular, Millennials — who are comfortable with online banking and investing. Michael credits a business competition he won at the Ivey Business School for setting off a chain of events that launched his entrepreneurial career.
