

New Music Building

Western Music

Don Wright Faculty of Music

Why I chose **Western Music**

“After endless guidance counselor appointments, researching university websites, and then going to visit the campuses, the friendly, family-like atmosphere I saw at Western is what drew me here and sealed the deal.”
- ERRINGTON SALLOWS, BMus Year II

“ I was well aware of Western's strong reputation for academics and musical talent. What I didn't know was how inspiring all the people here are – professors, staff and my peers. Every day I am surrounded by incredibly intelligent people with an energy that is immensely contagious.”
- KATIE McBEAN, BMus Year IV

“From all the schools I looked at, Western caught my attention the most, not just because of the faculty and campus they promoted, but the attitude. I knew that this school had the right mindset and was the optimal choice for anyone aspiring to become a music educator.”
JERRY ZHONG, BMus Year II
