Ranked among the top 1 per cent of higher education institutions worldwide, Western offers the best student experience inside and outside the classroom. And the best student experience comes with a guarantee for first-year students.

**Admission Scholarships**
To recognize your academic achievement, we will offer you an admission scholarship ranging in value from $1,000 for one year, to $10,000 ($2,500 each year for four years) if you are admitted based on your secondary school diploma, and your final admission average, including prerequisite courses as calculated by Western, is 88 per cent or greater. Western will determine averages for applicants who are not studying in a Canadian secondary school curriculum based on: curriculum, grading practices, grading scale interpretation and performance of previous students from that curriculum while at Western.

**The First-Year Courses You Want**
Western offers more than 400 different specializations, majors and minors at the undergraduate level. Choose the first-year courses you want for the program in which you are enrolled on Main Campus and, as long as you have the prerequisites, we will guarantee you a spot in 1000-level introductory courses on Main Campus.

**A Place to Live in Residence**
Experience the convenience, safety and support of living on campus. We guarantee you’ll start your new life at Western in one of our great residences, if you are a single student, without children, graduating from secondary school who has received an offer of full-time, first-year admission for September 2017. See residenceatwestern.ca for requirements.

**An Extraordinary Student Experience**
Learn from our brightest professors and researchers. Live in the best residence system and study on the most beautiful campus in the country. Complement your academic program with an exceptional range of curricular, co-curricular, and extracurricular activities. From recreational programming, to student government, varsity athletics, special interest clubs, and leadership and learning opportunities on and off campus, you will have near limitless possibilities for augmenting your education beyond the classroom. Gain valuable career experience through internships, co-ops, job shadowing and volunteer programs, locally, nationally and internationally. It’s all part of Canada’s Best Student Experience.

With a diverse population of more than 381,000, London is an educational, cultural and economic hub in southwestern Ontario.

Living in London
London offers the best of both worlds – big city excitement with a small town feel. It’s a city that knows how to have fun and make everyone feel welcome.

Shopping
From the unique, independent retailers along Richmond Row and in Wortley Village to the trendy stores in suburban shopping malls, London is a great place to shop.

Dining
From intimate cafés to pubs to fine dining to walk-up souvlaki stands, London offers it all. London has an eclectic mix of chefs bringing the hottest culinary trends to the city. Foodies will also enjoy exploring the locally produced offerings at Western’s Farmers’ Market, the Covent Garden Market or the Masonville Farmers’ and Artisans’ Market.

Nightlife
A lively collection of nightclubs, pubs, live theatre, as well as various dining opportunities, makes Richmond Row the place to be seen. You’ll find today’s hottest artists in the heart of downtown at the 10,000 seat Budweiser Gardens. Movie fans can choose from Western Film and a variety of screens around town.

Recreation
Affectionately called the Forest City, London boasts an extensive trail system for walking, running, biking or inline skating. Tree-lined trails run along the Thames River – right into Western’s campus. Winter sports can be enjoyed at London’s Boler Mountain, while indoor and outdoor ice rinks are a popular choice for skaters and hockey players. In the summer, Londoners take a short drive to the beaches of Grand Bend (Lake Huron) or Port Stanley (Lake Erie).

Sporting Events
London’s got game! The London Knights (hockey), the London Majors (baseball), and the London Lightning (basketball) keep the excitement going year-round at prices students can afford.

Culture
London is home to a thriving creative community, from the professional offerings of the Grand Theatre and Museum London, to countless other museums, community ensembles, theatre troupes and specialty galleries. On Western’s own campus we offer various activities for you to connect with your artistic side – everything from our McIntosh Art Gallery to noon-hour ensembles in music to various theatrical productions and fashion shows put on in the Paul Davenport Theatre.

Festivals
Londoners love to celebrate diversity. Our city is home to numerous festivals year-round including Sunfest, Rock the Park Music Festival and Pride London Festival. Discover London’s spirit: londontourism.ca

Western Residence offers more than just a place to eat and sleep. Residence life engages and connects you to the University community and fosters your growth as a leader. There are ample opportunities for leadership and involvement in a range of activities.

**The Academic Edge**
Studies have shown students who live in residence do better academically than their off-campus peers. Our Living Learning Communities are made up of like-minded students to create fluidity between the academic and home environments. An Academic and Leadership Programmer (ALP) works in each residence to provide coaching, academic resources, academic programming, exam review sessions, study skill workshops, or simply forming study groups – all right where you live!

**Getting Involved and Growing Your Skills**
Expand your personal and professional skills through involvement in numerous academic, social, cultural, and recreational activities just steps away from your front door. By getting involved in your Residents’ Council or becoming a Residence Staff member or Residence Soph, you can gain valuable leadership skills to help you land your dream job when you graduate.

**Healthy Dining**
Our flexible meal plan gives you easy access to residence dining halls and campus eateries, plus many off-campus meal plan partners. Our chefs prepare a wide selection of food in house, so there’s always something new to try. Allergies? Dietary restrictions? No problem. Nutritional content is available online for our menu items. Furthermore, you can work with our Nutrition Manager for assistance in making healthy food choices. Vegetarian, vegan, gluten-free and nut-free options are offered daily.

**Focus on Safety**
In residence, access to buildings and/or the residential areas of buildings is restricted 24/7 by a locked door controlled by card access. Our Front Desk staff are just a phone call away, and residence student staff live on each floor and are on-call during evenings and weekends.

**Seamless Move-in**
Our 850 student volunteers (Sophs) ensure your move-in day is stress free. With your consent, we’ll unpack your vehicle and ensure your belongings are taken straight to your room.

**Clean and Cared for Facilities**
We’re continually upgrading and renovating our residences to ensure you enjoy high quality, well-equipped accommodations. Common areas and shared washrooms on your floor and throughout your building are cleaned every day. We also provide regular room cleaning.

**Memories to Last a Lifetime**
Residence enables you to meet new people, make connections with hundreds of other students and engage with the greater Western community. Residence is where lifelong friendships begin.

Western offers many opportunities inside and outside the classroom for you to apply your academic knowledge in real-world settings. You may have the chance to “test-drive” a particular job, employment sector or community organization to see if it is a good fit with your skills and interests. With experiential learning, you can complement your studies with relevant, rewarding experiences that help you develop transferable skills and refine your career options.

You can also showcase all of your activities in an official document known as the Western Co-Curricular Record (WCCR). Whether it’s a workshop, a club, an international learning experience or a leadership position, you can track your experiences — and learning — using this online tool. Activities connect to 10 core areas of development, including Career Preparation, Commitment to Learning, Communication, Diversity, Engaging in the Arts, Global Awareness, Health and Wellness, Leadership, Self-Awareness and Social Responsibility.

Community Engaged Learning (CEL)

CEL, including community-service learning, is a form of experiential education that links classroom with community. By completing community-based projects, you are able to see your learning come to life. You will form meaningful local and international connections, develop critical thinking skills, and build their resumés through meaningful hands-on learning.

Fieldwork

Broadly defined, fieldwork refers to the collection of data outside of a controlled laboratory setting. The practice and focus of fieldwork varies across disciplines but is mainly concentrated in the natural and social sciences such as biology, earth sciences, geology, anthropology and archaeology.

Alternative Spring Break (ASB)
Spend an unforgettable spring break travelling with faculty and staff team leaders to participate in week-long service projects in local, national and global communities. Past service projects have included Habitat for Humanity builds in New Orleans; teaching English in the Dominican Republic; providing triage support for local physicians in pop-up medical clinics in Costa Rica and Jamaica; and constructing an accessible washroom in Peru.

Western Heads East
Western Heads East is a collaboration between East African partners and Western students, faculty and staff, using probiotic foods to contribute to health and sustainable development. This innovative and multidisciplinary program aims to enhance health and create sustainable economic and community development in Tanzania, Kenya and Rwanda. Student internships are available annually with partner universities and community organizations in East Africa and there are also opportunities to contribute to the program here at home.

Western Serves
Every year in September, Western students, staff and faculty ‘paint the town purple’ during a day of service in the London community. Teams visit local nonprofits to learn about their work and contribute to a variety of projects, including landscaping, children’s and seniors’ programs, animal care, and awareness campaigns, among others.

Internship, Co-op and Practicum
Work Integrated Learning programs provide practical experience for students looking to gain the relevant knowledge and skills required to enter a particular employment sector. They can be paid or unpaid, short-term or long-term, local or international, for academic credit or for a non-credit course. Check with your Faculty or The Student Success Centre to see if there is an option for your degree program. You can also search for international internship and research opportunities on Western’s international learning website.

Propel Summer Incubator (PSI)
Founded in 2015 by Propel, PSI is a sales-focused incubator program that accelerates the growth and success of early-stage start-ups during the summer months. Founders admitted to the program receive seed funding, mentorship, programming and co-working space. PSI also provides practical experience for a team of sales interns who are hired to work with each of the startups.

Learning without Borders

Spread your wings and discover the world while earning your degree at Western. Whether you want to study, volunteer, complete an internship, work abroad or participate in international learning at home, we offer a wide range of opportunities to integrate international experience into your university career. For example, you can study for a semester in Singapore; uncover traces of the Roman Empire during an archaeological dig in northern England; intern at a multinational company in India; participate in a summer opera program in Italy; or volunteer with a community engaged learning program in Costa Rica.

- Develop intercultural skills
- Learn a new language
- Apply your learning in a new setting
- Become a global citizen

More than $200,000 in financial support is available annually through the Global Opportunities Awards, and a new International Learning Award provides support for students going abroad in their third year. Additional scholarship programs provide unique experiences in particular countries, regions or institutions.

Global and Intercultural Engagement Honor

Give your degree global appeal with Western’s Global and Intercultural Engagement Honor recognizing students who have engaged in both academic and extracurricular activities with a global or intercultural focus. You can accumulate points during your time at Western through activities at home or abroad, and attend an intercultural workshop.

Once achieved, the Honor will appear on your official transcript upon graduation. What better way to gain the global experience and intercultural skills employers are looking for, all while pursuing your own passion for international learning?

A World of Choice

Western’s International Exchange Program gives you the opportunity to study at more than 135 universities in 39 countries, including Australia, China, Denmark, France, Germany, Hong Kong, India, Japan, Korea, Mexico, the Netherlands, New Zealand, Singapore, Spain, Sweden, the United Kingdom and the United States.

- Pay your tuition to Western and earn credits toward your degree
- Scholarships are available to support your international experience
- Many partner universities offer courses taught in English

Western Student Recreation Centre (WSRC)

This $35-million, state-of-the-art facility was made possible by the largest student donation in history at a Canadian university.

Features include:
• 20,000 square-foot fitness centre with more than 200 cardio machines
• Eight-lane, 50-metre pool
• Squash/racquetball courts
• Five gymnasiums

Registered students receive a WSRC membership, funded through a small recreation fee within their activity fees.

Membership includes access to:
• Group fitness classes
• Fitness Centre
• Drop-in gym activities such as basketball and badminton

Intramural Sports
With more than 1,200 different teams and 15,000 participating students, Western has one of the largest intramural sports programs in Canada.

Sport Clubs
Western’s Recreational Sport Clubs are sanctioned organizations, established by students who share a common interest in a particular sport or physical activity.

We offer 19 clubs covering a wide range of activities from judo to equestrian. At Western, there is something for everyone.

Different ways to get involved
Club Member
As a club member, you have the option to attend club meetings and events, meet new people and become more involved in your Western community.

Club Executive Member
At this level, you are a member of the clubs’ executive team and help organize and plan different events and activities that occur within the club throughout the year. This is a great opportunity to gain interpersonal and professional skills and to build your resumé. Executives are primarily selected at the end of the academic year, however many additional opportunities are advertised during Clubs Week.

GOT A PASSION? THERE’S A CLUB FOR THAT.

westernusc.ca/clubs

With more than 8,500 members in our 193 clubs, the clubs community at Western, as part of the University Students’ Council (USC), is a great way for students to get involved.

From Amnesty International to Cancer Awareness to the Western Climbing Club and political and cultural clubs, there’s a club for everyone.

Why join a club?
Joining a club opens up many opportunities to meet other students and allows for a balance between academic life and extracurricular activities.

Find out more about the clubs we have to offer during Clubs Week, which showcases all clubs available and provides you with the opportunity to find out more.
PARTNERS IN YOUR SUCCESS

Financial Aid

Student Financial Services and Student Financial Aid provide financial support and guidance to students during their time at Western through a variety of financial aid programs.

Student Financial Services and Student Financial Aid
- Administers the Western scholarship, bursary and work study programs
- Administers the Ontario Student Assistance Program (OSAP) and other government-assistance programs, such as the Part-time Canada Student Loan Program, Canada Study Grants for Part-time Students, Institutional Special Bursary Program and Bursary for Students with Disabilities Program. Provides financial counselling and budgeting assistance
- Liaises with the Ministry of Advanced Education and Skills Development, the National Student Loan Service Centre, banks, and other services/agencies to assist students with all government loan programs

Bursaries
Bursaries are non-repayable grants awarded on the basis of financial need. Western offers two types of bursaries:

Admissions Bursaries
- Awarded to students entering Western’s Main Campus for full-time, first-year studies directly from secondary school (application available by the end of January)

In-Course Bursaries
- Available to students in their upper years or to entering students who did not apply for an Admission Bursary
- Available to students in their upper years
- Students must complete an online Financial Assistance Profile Application for consideration

registrar.uwo.ca/student_finances/bursaries.html

Work Study
Western’s Work Study program offers upper-year students in financial need the opportunity to work part-time on campus in jobs that accommodate their studies. There are more than 2,000 on-campus employment opportunities with flexible work arrangements.

registrar.uwo.ca/student_finances/work_study.html

Non-Ontario Students
Students can apply for assistance through their provincial Ministry of Education. Each province in Canada has its own application process. Please visit the appropriate provincial website for more details.

registrar.uwo.ca/student_finances/osap_government_loans/out_of_province_loans.html

International Students
The Ministry of Employment and Immigration requires all international students to prove that they have adequate resources before they may be admitted to Canada. Consequently, a bursary will normally be awarded only if there is evidence that circumstances have changed since their arrival in Canada.

PREPARE FOR THE FUTURE
Enter the rapidly changing workforce with confidence thanks to the creative thinking and foundational skills you will acquire during your undergraduate studies in the Faculty of Arts & Humanities.

ARTS & HUMANITIES
uwo.ca/arts | arts@uwo.ca | 519.661.3043

Study in a Faculty with one of the lowest student-to-faculty ratios in Canada. This means more personalized attention from our world-class professors and researchers.

Hone your skills in critical thinking and effective communication to manage the constantly changing demands of contemporary careers.

Join other students as you find your passion, even beyond the classroom. Our student experience is local – such as tutorial sessions, conferences, and research opportunities – or as far-reaching as study abroad opportunities in France, Germany, Rwanda, Cuba and more.

PROGRAM FEATURES
- School for Advanced Studies in the Arts & Humanities (SASAH)
- Canada’s first Digital Humanities Program
- Museum and Curatorial Studies
- Writing Studies
- Theatre Studies
- Fieldwork in Vindolanda

ENGför眼镜
eng.uwo.ca | futurewe@uwo.ca | 519.661.2130

Join a cohort of approximately 600 students in a welcoming and friendly environment.

Complete a common first year to explore all areas of engineering before selecting your program of choice.

Acquire the skills and knowledge you need to become a Professional Engineer.

Define your academic experience in flexible and exciting ways, creating paths of study designed to your individual interests and aspirations.

PROGRAM FEATURES
- Nine core Engineering programs
- Combined degrees with Business, Law and many other programs at Western
- Internships, co-ops and externships
- Super Tutor Program and Big Sister/ Little Sister Mentorship Program

BECOME AN INNOVATIVE ENGINEER
In today’s world, business is fundamental knowledge for professional engineering. Starting in first year, you will be introduced to business for engineers. After first year, you can further develop your skills in leadership and innovation by enrolling in the Integrated Engineering program, the Engineering (BSc)/Ivey (HBA) dual degree program or the Engineering Leadership and Innovation Certificate.
YOU live and breathe media almost every moment of your day. If you’re going to consume it, you need to understand it. In the Faculty of Information & Media Studies (FIMS), we ask questions about how news, television, social media, celebrity culture and music shape our lives in a variety of ways.

STUDY IN EXTRAORDINARY FACILITIES
Students benefit from state-of-the-art technology in Health Sciences facilities such as the 3D Anatatorium. This virtual reality theatre – which was the first of its kind in Canada – allows students to explore the human body using 3D MRI images.

Develop an appreciation for the world’s emerging health issues and be inspired to think globally and strategically to create innovative solutions while earning a Bachelor of Health Sciences (BHSc) degree.

Focus your learning experience on improving human health and developing unique skills and perspectives to tackle health-related issues affecting people in all corners of the world.

DON’T SETTLE FOR 140 CHARACTERS. WRITE THE BOOK.

Become a leader in your field with a balanced approach to Kinesiology that allows you to focus on areas such as human movement and rehabilitation, fitness and exercise, sport management and the cultural impact of sport.

Study in a program that offers the broadest range of activity courses of any Kinesiology program in Canada with options including exercise for specific populations, personal training and team-based sports.

Gain the knowledge and skills necessary to practice as a Registered Nurse through theory courses, professional practice, case-based learning and simulated clinical education.

Develop clinical skills and confidence in a lab setting in one of our state-of-the-art simulation suites before embarking on your first practical placement.

INFORMATION & MEDIA STUDIES

Become part of an active, socially conscious group of peers and faculty who are interested in exploring the world on many different levels.

Get involved in student government, the FIMS Street Team and charity initiatives; write for the student council magazine OPENWIDE; or present your work at the Student Research Conference or in the academic journal Mediations. At FIMS, you are encouraged to have a voice and be heard.

Acquire the media knowledge and skills you need to launch successful careers in advertising and marketing, journalism and content production, digital media, communications, charities, activism and advocacy.

PROGRAM FEATURES
• International exchange, study abroad and volunteer opportunities
• Publishing opportunities in Undergraduate Student Journals
• Optional internship program for eligible students
• Combined degree option with the Ivey Business School

PROFESSIONAL SECOND-ENTRY UNDERGRADUATE PROGRAMS

Second-entry professional undergraduate programs such as Business, Dentistry, Education, Law and Medicine do not begin in first year. These undergraduate programs require a minimum of two to four years of university study prior to admission. The length of the programs will also vary, with some taking four years while others are only two years in duration.

Admission requirements vary greatly with each program having its own required undergraduate prerequisites, admission averages and required test scores. Please note: these programs are in high demand, and enrolment is limited. Requirements are subject to change. Please confirm with the program. Western also offers professional graduate programs, MA and PhD degrees in a number of disciplines through the School of Graduate and Postdoctoral Studies.

GRADUATE PROGRAMS

Since introducing our first master’s program in 1881, Western has been dedicated to excellence in graduate education. We offer more than 70 master’s and 50 doctoral programs, including a range of professional master’s and interdisciplinary programs – providing endless opportunities to expand knowledge and push the boundaries of discovery in several fields.

AWARD-WINNING STUDENTS

Western Biochemical Engineering student Joseph Donohue won the top prize at Canada’s 2014 National 3-Minute Thesis competition (3MT), a research communication competition where graduate students have three minutes or less to present their research and its impact to a panel of non-specialist judges and peers.
IVEY BUSINESS SCHOOL
ivey.uwo.ca/hba | hba@ivey.uwo.ca | 519.661.4111

To be considered for admission to first year on the basis of a Grade 12 Diploma from any province in Canada, you must obtain a minimum 80 per cent average as calculated by Western and have the prerequisites for your program as specified by Western. Admission is competitive and, as such, having the minimum requirements should not be viewed as a guarantee of admission.

For a list of acceptable academic courses please visit: welcome.uwo.ca/admissions/admission_requirements/canadian_secondary_school

International Baccalaureate Applicant
You have completed the full International Baccalaureate Diploma including:
- Six subjects, of which three must be at the Higher Level;
- A minimum grade total of 28*, including bonus points awarded for the successful completion of the Extended Essay and Theory of Knowledge;
- No mark less than 4 on any individual subject; and
- Prerequisites for your program as specified by Western.

If you are currently in progress, you may be considered for admission based on your predicted IB results.

You are eligible for transfer credit consideration for most Higher Level subjects with a score of 5 or higher if you have successfully completed the full IB diploma and meet Western’s admission criteria.

* The minimum grade total quoted above is the minimum required for admission consideration. Competitive admission based on predicted results is usually in the low to mid 30s and can vary depending on the program.

ADVANCED PLACEMENT
You have registered in Advanced Placement courses and have written your AP Exams. If you achieved at least 4 out of 5, you may be considered for transfer credit to a maximum of 2.0 full credits.

ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS

If your first language is not English, you will be required to provide acceptable proof of English language proficiency. You are encouraged to write a test at the earliest possible date and before March 2017. Scores for any test written before January 1, 2015 may not be accepted. The Undergraduate Admissions Office reserves the right to require any applicant to write a test of English proficiency.

Additional details regarding acceptable proof of English proficiency can be found on our website at: welcome.uwo.ca/admissions/admission_requirements/english_language_proficiency.html

WESTERN ENGLISH LANGUAGE CENTRE (WELC) – ENGLISH BOOST PROGRAM

welc.ca | welc@uwo.ca | 519.661.2111, ext. 85252

The English Boost program is designed for students who have been offered conditional admission to Western based on their academic background but who fall just below Western’s English language proficiency requirements. The English Boost program begins in early July and provides nine weeks of training prior to the start of undergraduate degree programs in September to give students the ‘boost’ they need to meet Western’s English proficiency requirements and succeed in their degree.

Applicants to Western’s Main Campus are automatically considered for Boost if they are deemed academically admissible and are just below the English language proficiency requirements. No additional application is required.

In the English Boost program student success is cultivated by developing communicative skills – reading, writing, listening and speaking – in conjunction with the cultural knowledge required to thrive in Western’s demanding academic environment. As part of the Boost program, students become familiar with Western’s campus, facilities, processes and university life, and participate in experiences beyond the classroom to locations off campus and throughout Ontario.
At Western, we have developed a number of forms to assist you throughout the application process. These forms supplement your application and afford you a means to provide additional and/or required information to us. A complete list of available forms can be found on our website at: [welcome.uwo.ca/admissions/forms](http://welcome.uwo.ca/admissions/forms)
