Scholarships & Financial Support
registratr.uwo.ca/student_finances  |  contact@uwo.ca  |  +1 519 661 2100

Virginia Harris International Admission Scholarships
Awarded annually to two full-time international undergraduate students entering first year of any program in any faculty, based on high academic achievement (minimum 90 per cent average). The Office of the Registrar will select two recipients. Value: $2,500.

Dr. Amit Chakma International Scholarship
Awarded annually to a full-time international undergraduate student entering first year of any program in any faculty, based on high academic achievement (minimum 90 per cent average). The Office of the Registrar will automatically offer the scholarship to the selected student based on their final admission average. Value: $2,500.

Organization of American States – Western University Scholarships
Prospective students with an offer of admission to Western who are also citizens of OAS member states are encouraged to visit the OAS Scholarships site to explore award opportunities, eligibility and application requirements: oas.org/en/scholarships

Financial Assistance and Work Opportunities
Student Financial Services and Student Financial Aid provides financial support and guidance to students during their time at Western through a variety of financial aid programs, including bursaries. Bursaries are non-repayable grants awarded on the basis of financial need.

Western also offers a specific International Student Bursary program, and an Emergency Loan program. To qualify for assistance, students must meet selected criteria, fill out an application and/or speak to an International Student Advisor. iesc.uwo.ca/finaid

The International Student Work Opportunities Program is a work study program for international students designed to provide financial assistance through paid part-time employment on campus. iesc.uwo.ca/iswop

Scholarships & Awards Program
International President’s Entrance Scholarships
As part of the National Scholarship Program, three scholarships worth $50,000 each are available to exceptional international students. Selection is based on outstanding academic performance, creative and innovative thought, and significant achievement in extracurricular activities. Students must complete a National Scholarship application which includes an essay and a nomination from their school. The application is available in mid-November. For additional information about the National Scholarship Program please visit registrar.uwo.ca/national_scholarships

Application deadline: February 14, 2020

Admission Scholarships
Western’s Admission Scholarships are automatically awarded upon registration at Western. To be considered for an admission scholarship you must apply directly from secondary school to Western’s Main Campus for full-time, first-year studies. No application is required for consideration. International students are eligible to be considered for Western’s Admission Scholarships. Western also offers faculty-specific entrance scholarships and awards with varying values and criteria. For full details and important eligibility information on all scholarship opportunities please visit our website: registrar.uwo.ca/scholarships

Additional scholarships are available through the Canadian government and other sources. Explore the following websites to view available options: scholarships.gc.ca

Meet Tianyi
From: China
Ivey Business School

“Western is very supportive to International Students. It is very easy for me to find resources and the right person to help me out when I need it.”
Meet Rebecca
From: Greece
Faculty of Arts & Humanities
Lived in Ontario Hall in 2017-18
“I like that during O Week there is so much going on. There’s always a support system around you. It’s a great chance to get really close to your floor and the people that you meet – they become your family.”

With a diverse population of more than 383,000, London is an educational, cultural and economic hub of Southwestern Ontario. London is approximately 200 km west of Toronto and 200 km east of Detroit, USA. Known as the Forest City for its many parks and green areas, London offers the best of both worlds – the safety, charm and affordability of a small community with the diversity, career opportunities and conveniences of a big city. It’s a place that knows how to have fun and make everyone feel welcome.

Travel to Toronto, Detroit and many other destinations is easy by air, train and bus. Western is also well-connected to the city’s public transit system.

Western Residences offer more than just a place to eat and sleep. Residence life engages and connects you to the University community and fosters your growth as a leader. There are many opportunities for leadership and involvement in a range of activities.

Enjoy healthy eating
Flexible meal plans for use in residence dining halls, on-campus eateries and a selection of home delivery and dine out locations in London. Chefs prepare a wide selection of food in-house, so there’s always something new to try. You can work with our Nutrition Manager for assistance in making healthy food choices.

Get an academic edge
Studies have shown students who live in residence do better academically than their off-campus peers.

Become a student leader
Get involved in academic, social, cultural and recreational activities. Join Residents’ Council or become a Residence Don, Residence Advisor or Residence Soph.

Rest easy with our focus on safety
Access to our buildings is restricted 24/7 by a locked door controlled by card access. Front Desk Staff are always just a phone call away. Residence Life student leaders live on each floor and are on-call during evenings and weekends.

Live in well-maintained spaces to call home
Continual upgrades and renovations ensure you enjoy high-quality, well-equipped accommodations. Common areas and shared washrooms on your floor and throughout your building are cleaned every day. Regular room cleaning is also provided.

Create memories to last a lifetime
Meet new people and make lifelong friendships!

YOUR NEW HOME AWAY FROM HOME
residence.uwo.ca | housing@uwo.ca | +1.519.661.3547

International Viewbook 2020 | 7
The International Peer Connection (IPC) will support you during your transition to university and Canadian life. Connect with IESC as you plan your journey to Western. You can even apply ahead of time to be matched with an upper-year student who will be your peer guide.

International Peer Connection (IPC) iesc.uwo.ca/peer

The International Peer Connection (IPC) will support you during your transition to university and Canadian life. When you join IPC, you will be connected with a Peer Guide who will:

- Be your guide, resource person, cultural interpreter and a friendly support to you during your transition to university and Canadian life;
- Link you to Western and London activities, services, and resources;
- Connect you with other Peer Guides, the Western community, International and Canadian Students; and
- Call or email you regularly until the end of the term to ask how you are doing, answer your questions, inform you of upcoming events and arrange to meet with you (i.e., for coffee or lunch or to attend a group activity).

Academic Support & Engagement
success.uwo.ca

Programs and services include:

- Learning Development & Success: one-to-one appointments, presentations, Peer Assisted Learning (PAL) Centre
- Peer Mentorship: accessibility, student athlete, and leadership and academic mentorship programs
- Writing Support Centre: individual consultations, writing workshops, online writing help

Careers & Experience
careers.uwo.ca experience.uwo.ca

Programs and services include:

- Career Education: individual appointments, workshops, Western’s Employment Resource Centre
- Experiential Learning: internships, community engaged learning, Impact Experience
- Industry Exploration: job fairs, employer information sessions, job postings

Partner Services

- Academic Support & Engagement: success.uwo.ca
- Career Education: careers.uwo.ca
- Writing Support Centre: writing.uwo.ca
- Community Engaged Learning: cel.uwo.ca
- Western Student Experience: experiencer.uwo.ca
- athletics.uwo.ca

Beyond the Classroom

At Western, you can complement your degree with an exceptional range of experiences. From recreational programs, to student government, varsity athletics, clubs, and international learning opportunities, you have near limitless possibilities to develop leadership skills, meet new friends and discover new interests and passions.

Orientation Activities
western.uwo.ca/orientation

Western’s orientation week is a truly unique experience that welcomes you to your new home, helps connect you with other first-year students, and gives you a chance to learn about all the different aspects of life at Western. There is also a full international student orientation day, a welcome centre and wonderful programs throughout the first month to help you get settled into your new life at Western and in Canada.

Student Council and Clubs
western.uwo.ca/campus_life/clubs_associations.html

The University Students’ Council runs a wide range of programs, services and events.

- Student Council and Clubs: western.uwo.ca/campus_life/clubs_associations.html
- Peer Mentorship: accessibility, student athlete, and leadership and academic mentorship programs
- Writing Support Centre: individual consultations, writing workshops, online writing help
- Career Education: individual appointments, workshops, Western’s Employment Resource Centre
- Experiential Learning: internships, community engaged learning, Impact Experience
- Industry Exploration: job fairs, employer information sessions, job postings

Sports and Fitness

western.uwo.ca/campus_life/athletics.html

Western’s 46 varsity sports teams and clubs compete in national athletics each year. Additional intramural leagues, sports clubs and the best student recreation facility in the country offer a wide range of fitness options. Athletic financial awards of up to $4,000/year are available.

Community Engaged Learning

western.uwo.ca/campus_life/clubs_associations.html

Propel Entrepreneurship Centre

Propel Entrepreneurship Centre unincorporated business (PSI), retail opportunities, workshops and training, advocacy and promotion, pitch competitions and other events.

Meet Shawn
From: China
Faculty of Social Science

“To summarize my one-year experience at Western in one word, I would say ‘community.’ Everybody is so friendly and the staff and faculty are flexible. They are here to help you.”

Meet Peya
From: Bangladesh
Faculty of Social Science

“My academic experience at Western so far has been really amazing. I’ve been able to develop a close relationship with my professors. They are really willing to put in the effort to help you whenever you need it.”

Meet Cintya
From: Angola
Faculty of Engineering

“I chose Western because the campus is beautiful and it was really diverse and I was looking to have a more broad experience in my academic life and social life too.”
ARTS & HUMANITIES

The Faculty of Arts & Humanities (SASAH) offers a wide range of programs in the arts, humanities, and social sciences. Our students have access to numerous opportunities for research, conferences, and experiential learning. We encourage you to explore our programs and find the one that best suits your interests.

PROGRAM FEATURES
- School for Advanced Studies in the Arts & Humanities (SASAH)
- Canada's first Digital Humanities program
- Combined Degree option with the Ivey Business School
- Experiential learning opportunities in all programs
- Internships in museums, publishing, theatre and more

PACK YOUR BAGS: STUDY, VOLUNTEER OR WORK ABROAD
Integrate international experiences into your university education. Take a Study Tour course and travel to Italy, Rwanda, Greece, Spain, England, Cuba or New York.

ENGINEERING

Join a cohort of approximately 600 students in a welcoming and friendly environment. Complete a common first year before selecting your program of choice. Acquire the skills and knowledge you need to become a Professional Engineer. Define your academic experience in flexible and exciting ways. Create your own academic journey tailored to your individual interests and aspirations.

PROGRAM FEATURES
- Nine core Engineering programs
- Combined Degrees with Biomedical Engineering, Business, Law and many other programs at Western
- Internships, co-ops and externships
- Super Tutor Program and Big Sister/ Little Sister Mentorship Program

BECOME AN INNOVATIVE ENGINEER
In today's world, business is fundamental knowledge for professional engineering. Starting in first year, you will be introduced to business for engineers. After first year, you can further develop your skills in leadership and innovation by enrolling in the Integrated Engineering program, the Engineering (BSc) / Ivey (HBA) dual degree program or the Engineering Leadership and Innovation Certificate.

INFORMATION & MEDIA STUDIES

Discover how money, politics, culture and society interact with and influence technologies like smart phones, social media and digital advertising. FIMS will teach you why these things matter. Develop your media production knowledge. Study media and understand how to produce it. Create media and develop creative content through elective courses.

PROGRAM FEATURES
- International exchange, study abroad and volunteer opportunities
- Publishing opportunities in our Undergraduate Student Journal
- Optional internship program for eligible students
- Combined Degree option with the Ivey Business School

HEALTH SCIENCES

Develop an appreciation for the world’s emerging health issues and focus your learning on improving human health and building unique skills and perspectives to tackle health-related issues affecting people in all corners of the globe.

KINESIOLOGY
From human movement and rehabilitation to fitness and exercise, sport management to the cultural impact of sport, Western Kinesiology has it covered with a balanced approach designed to help you become a leader in your field.

STUDY IN EXTRAORDINARY FACILITIES

Gain an appreciation for the world’s emerging health issues and focus your learning on improving human health and building unique skills and perspectives to tackle health-related issues affecting people in all corners of the globe. This virtual reality theatre – which was the first of its kind in Canada – allows students to explore the human body using 3D MRI images.

NURSING

Enrolment in the Bachelor of Science in Nursing (BScN) collaborative program is limited to two international spaces per year. Special consideration may be given to international students with support from a Government of Canada agency.

INFORMATION & MEDIA STUDIES

fims.uwo.ca | fims@uwo.ca

Discover how money, politics, culture and society interact with and influence technologies like smart phones, social media and digital advertising. FIMS will teach you why these things matter.

PROGRAM FEATURES
- International exchange, study abroad and volunteer opportunities
- Publishing opportunities in our Undergraduate Student Journal
- Optional internship program for eligible students
- Combined Degree option with the Ivey Business School
**MUSIC**

music.uwo.ca
music@uwo.ca

Become part of a close-knit community of students, faculty and staff. We are perfectly sized to contribute to a supportive learning environment while – as one of the largest music faculties in Canada – offering an exceptional range of musical and academic options, starting with a common first year.

Participate in one-on-one weekly lessons with the finest musicians from around the world and a student-peer mentoring program. Access a broad range of specialized course offerings including The 21st-Century Musician, Music and Politics, and Progressive Music Pedagogies. We offer numerous opportunities to combine music with other subjects.

**PROGRAM FEATURES**

- Combined Degrees and specialized programs
- One of the top music libraries in North America
- Video and digital recording facilities
- International study abroad opportunities

**STEP INTO THE SPOTLIGHT**

Students in the Don Wright Faculty of Music enter the spotlight each year in more than 400 performances in a variety of venues on campus and in the community. Students perform and learn in our new building that offers the best learning environment for academic and performance studies with 100+ practice rooms, studios, large and small rehearsal rooms.

**SOCIAL SCIENCE**

ssc.uwo.ca | ssaco@uwo.ca

**SOCIAL SCIENCE** Participate in traditional programs as well as interdisciplinary programs that combine ideas from a number of related areas of study.

Learn from world-renowned faculty members who have received research and teaching awards. Our professors teach using a variety of methods including small group discussions, community involvement opportunities and multimedia interaction.

**PROGRAM FEATURES**

- Combined Degrees
- Publish in undergraduate journals
- International experiences

**DAN DEPARTMENT OF MANAGEMENT & ORGANIZATIONAL STUDIES**

First of its kind in Canada, DAN Management has adapted an Evidence-Based Management (EBM) perspective throughout its curriculum. This brings critical focus to our program and prepares you to make meaningful contributions to management decisions and practices in the organizations you join.

Complete courses during your studies that count towards professional designations such as the Chartered Professional Accountant (CPA), Chartered Financial Analyst (CFA), Certified Human Resources Professional (CHRP), or an Integrated Commercial Pilot’s License (ICPL).

**BE A BUSINESS LEADER**

Many students in DAN Management take lessons straight from the classroom into the workplace, and start their own business. When Alyssa Co and Divyansh Ojha were DAN Management students they started FoodFund, a food subscription company specializing in delivering imperfect food that might otherwise be wasted.

**SCIENCE**

uwo.ca/sci | scibmsac@uwo.ca

Experience a warm, friendly and creative learning environment. Whether you are in a small class of ten or a large lecture hall with every seat filled, have your voice heard using clicker survey technology, Twitter messaging or small group discussions.

Cultivate critical-thinking and communications skills with group projects, during field courses to exotic locations or during virtual field trips across the internet to work collaboratively with students just like you from across North America.

Dive into scientific experimentation in our first-year Chemistry labs with spaces offering large workstations fitted with computer-controlled modular equipment to simulate an authentic lab environment found in government and industry.

**PROGRAM FEATURES**

- Interdisciplinary programs
- Internship
- Combined Degrees
- International exchange and field courses
- Research opportunities in world-class facilities

**DISCOVER YOUR SCIENCE**

Explore a wide range of science courses in your first year and then build your degree. Develop lab and computing skills in an area of interest during summer research with a member of the faculty. And, if you are interested in more than one science, consider the Integrated Science program.

Apply your knowledge in exotic field locations, in 8- to 16-month internships or through entrepreneurship opportunities.

**MEDICAL SCIENCES**

schulich.uwo.ca/bmsc | bmsc@schulich.uwo.ca

Gain a greater understanding of the interrelationship between the basic medical and clinical sciences.

Work one-on-one with world-renowned scientists and clinicians on life-changing research.

**PROGRAM FEATURES**

- Conduct research in fourth year under the supervision of a faculty member
- Interdisciplinary modules
- Cross-faculty specialization in Neuroscience
- Cross-disciplinary specializations in Medical Health Informatics and One Health
- Combined Degrees
- Online and blended learning
- Internship and international exchange

**EXPLORE MEDICAL ADVANCEMENTS**

The Medical Sciences focus on understanding normal human health, structure and function, the causes and progression of disease and illness, mechanisms of current treatment and the search for cures. You may choose to specialize in one basic medical science discipline or study from an interdisciplinary perspective.
Through the unique Ivey HBA Program experience, you will not only learn what every manager needs to know – you will also develop the confidence, expertise and skills to take your career wherever you want it to go.

You can apply for conditional admission to Ivey during your last year of secondary school as part of the Ivey Advanced Entry Opportunity (AEO). Learn more online at: ivey.ca/hba

The Ivey Business School is recognized as one of the top business management schools in Canada and around the world. Ivey’s Honors Business Administration (HBA) degree gives you an unmatched combination of academic excellence and outstanding opportunity.

The Schulich School of Medicine & Dentistry has educated generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry here in Canada and around the world. The School is recognized as a world leader in education and research, and for the development of unique academic, public and professional partnerships. Our Learner Equity & Wellness team is dedicated to supporting you with your personal, academic, financial or wellness needs.

The Schulich School of Medicine & Dentistry schulich.uwo.ca admissions.dentistry@schulich.uwo.ca

Develop the habits of mind, hand and heart that define passionate teachers and leaders in many fields. As Ontario’s second-smallest law school, Western Law has a long, proud tradition of producing great leaders in many fields. As Ontario’s second-smallest law school, we are known for our collegial atmosphere and inclusive student experience and we are committed to the success of our students and faculty. In addition to our innovative curriculum, you can participate in many clinical programs, advocacy competitions and intensive seminars.

WESTERN ENGLISH LANGUAGE CENTRE (WELC) – ENGLISH BOOST PROGRAM

If you applied to Western’s Main Campus and you are just below the English standard for admission, you are automatically considered for the English Boost program. No additional application is required. Boost is a nine-week program in the summer, starting in early July. You’ll develop reading, writing, listening and speaking skills to help you succeed academically. You will also gain cultural knowledge to help you navigate your new environment.
**ADMISSION REQUIREMENTS**

welcome.uwo.ca/requirements

To be considered for admission your school must be accredited by a regional or national accrediting body or the Ministry of Education (or equivalent) in your country. Please consult welcome.uwo.ca/requirements for specific requirements and prerequisites related to your country, your curriculum and your program of choice. Admission is competitive and space is limited. Possession of the minimum requirements does not guarantee admission.

**Common Applicant Types**

<table>
<thead>
<tr>
<th>CURRICULUM</th>
<th>MINIMUM REQUIREMENTS FOR CONSIDERATION</th>
</tr>
</thead>
</table>
| **Ontario Secondary School Diploma** | • 6 Grade 12 U and/or M level courses (excluding co-op) including ENG4U and program prerequisites  
• Admission average requirements range from low 80s to low 90s depending on program  
Visit the Admissions Requirements website above for detailed requirements. |
| **Canadian Secondary School from a Province outside of Ontario** | • The required number of acceptable Grade 12 courses for admission including Grade 12 English and the successful completion of the Canadian provincial secondary school diploma  
• Prerequisites for your program as specified by Western  
• Averages range from low 80s to low 90s depending on program  
Visit the Admission Requirements website above for detailed requirements by province. |
| **International Baccalaureate (IB)** | • Complete the full IB Diploma including:  
  • Passes in a minimum of 6 subjects, of which 3 must be at the higher level  
  • Grade total of 28 including points awarded for the Extended Essay and Theory of Knowledge  
  • No mark less than 4 on any individual course  
  • May be considered for conditional admission on the basis of predicted grades in the final year  
  • Eligible for transfer credit consideration for most Higher Level subjects with a score of 5 or higher  
  Note: the grade total quoted is the minimum required for admission consideration. Competitive admission based on predicted results is usually in the low to mid 30s and can vary depending on the program. |
| **General Certificate of Secondary Education/General Certificate of Education (GCSE/GCE)** | • 3 distinct A-Level (or 4 distinct AS-Level) traditional academic subjects with grades of A and/or B (General Paper is not acceptable)  
• Students who receive a ‘B’ grade on final GCE Advanced level exams will receive transfer credit for those courses approved by the appropriate faculty  
• Specific prerequisite courses are required for some faculties/programs at the Advanced or Advanced Subsidiary Level; however, some programs may consider GCSE/GCE/Old Level with a grade of ‘B’ or above  
• Submission of 5 KGCSE/GCSE/Old Level academic subjects or equivalent is required as reference for past academic success |
| **United States Secondary School** | • Minimum GPA of 3.0 (80%) on 4 academic Grade 12 subjects (a total of 4.0 full courses)  
• SAT Reasoning Test combined score of 1190 (EBRW + M)  
(Institution code: 0984) OR an ACT composite score of 24 (Institution code: 4837) |

**APPLICATION TO WESTERN**

welcome.uwo.ca/admissions

**Application Checklist**

Applications to Western University are completed through the Ontario Universities’ Application Centre (OUAC).

- **APPLY ONLINE**
  Apply online at ouac.on.ca
  Applications are available starting in October 2019. Apply early! Space is limited. Applicants who apply before March 1, 2020 will be given early consideration. Receive acknowledgement of your application from OUAC and a student number from Western.

- **ACTIVATE YOUR ACCOUNT**
  Activate your Western Student Account. Then go to student.uwo.ca and review your Western “To Do List”.
  Be sure to click “details”.

- **SUBMIT REQUIRED DOCUMENTS**
  Submit documents as requested. We encourage you to submit any documents as soon as they are available.

- **TRACK YOUR APPLICATION**
  Closely monitor the status of your application by signing in at student.uwo.ca. Current applicants with questions about their application must contact Admissions directly: welcome@uwo.ca

- **CONNECT WITH WESTERN STAFF**
  Participate in events (Fall Preview Day, March Break Open House, school visits, education fairs, spring meetings). For information about programs, campus life, residences and career options please contact international@uwo.ca

**RECEIVE ADMISSION DECISION**

Most admission offers are extended sometime between January and May. Exact timing varies. You will receive notification of your offer of admission via email.

**PLAN YOUR ARRIVAL**

Apply for a study permit, arrange residence/accommodations, and participate in Summer Academic Orientation and course selection. Refer to your email for step-by-step details.

**EXPLORE SERVICES**

Visit the International and Exchange Student Centre website iesc.uwo.ca for useful information on preparing for your arrival, and programs and services once you arrive.

**WELCOME TO WESTERN!**

For important deadlines and forms see welcome.uwo.ca/admissions

**APPLICATION FEES**

- $156 (CAD) for three choices | See ouac.on.ca for further fee information
- $50 (CAD) for each additional program choice  
  • An additional $93.50 (CAD) fee for document evaluation
*Subject to change. See ouac.on.ca for details and information on any additional fees.
