Western
UNIVERSITY · CANADA

Welcome to Western

We are a leading Canadian research-intensive university known for our beautiful campus and unmatched student experience.

Ranked in the top 1 per cent of universities worldwide, we take academics seriously. But we also believe a university education is about more than simply acquiring knowledge—it's about your experiences and finding a supportive community that inspires you to do your best and be your best.

Our world-class faculty members, services and programs will provide you with unique opportunities to explore your passions, discover your purpose and positively impact the world.

Find out what we're all about and how you can join the Western community.

"The warm culture that Western has makes it so easy to form deep connections with others. I'm so glad Western brought us all together."

➤ Aidan Loh, kinesiology student

Land Acknowledgement

Western University is located in Dish With One Spoon Treaty Territory, the ancestral territory of the Anishinaabek, Haudenosaunee, Lunaapéewak and Chonnonton Nations.

Your New Home

Your Connected Community

Our expansive and welcoming campus is one of the most scenic in North America, and the hub of student life. Stunning natural surroundings and inspiring indoor spaces offer many opportunities to gather with friends or scout out your own personal study nook.

A City Made for Students

Western is located in London, Ontario, a city renowned for excellence in education and health care, lively arts, culture and sports scenes, and lots of recreational opportunities.

Student Clubs

Do you love to cook? Watch movies? Make origami? Explore your passions and connect with other students who share your interests. With over 200 options to pick from, we've got a club for everyone.

Sports & Recreation

Get moving at our state-of-the-art recreation centre or by joining one of our 20+ intramural sports teams. All students enjoy access to our weight room, cardio equipment, Olympic-sized swimming pool, hockey rink and running track.

On-Campus Safety

Twenty-four hours a day, 365 days a year, the Western Special Constable Service protects and supports our campus community. Western Foot Patrol, a student volunteer service, is also available after hours on campus to ensure you safely reach your destination.

Gain Real-World Experience

With a 96 per cent employment rate within two years post-graduation, you will graduate highly skilled and career ready. Flexible degree programs and our experiential approach to learning allows you to tailor your education, build your resume and develop professional skills that suit your future goals.

of our programs offer internships, co-op or practicum options

Career Guidance

Meet with a career coach, attend a resume review session or take part in one of our career fairs to make connections across a variety of industries.

Entrepreneurship

Are you entrepreneurially curious? Do you already have your own business? We can support you in navigating the complexities of starting and growing a business. Western is home to one of the world's largest entrepreneurship teaching groups that can help you at every stage of the process—from idea generation to social enterprise to growth.

Community Engaged Learning

Team up with local and international groups and organizations to develop solutions to the most urgent challenges of our time. Whether as a volunteer or as part of your coursework, Western's community-led problem-solving approach offers you opportunities to gain skills and experience beyond the classroom by engaging in your community and beyond.

Research Projects

Work with renowned faculty in world-class research facilities to develop your professional skills and foster a culture of research excellence on campus.

Admission Requirements

To apply to Western, you will need competitive high school grades and proof of English proficiency. Depending on the program you apply for, you might also need:

- Required high school courses
- Supplemental applications, essays, tests or auditions

English Requirements

Your classes will be taught in English. If English isn't your first language, you will need to submit Proof of English Language Proficiency, typically done through an official test or English as a Second Language (ESL) program.

If you apply and your test scores don't meet our requirements, you could be offered a spot in the Western English Language Centre. You are automatically considered, there is no extra application.
