

# Applying to Western

A step-by-step guide for 101 students

Information in this publication is for Ontario secondary school students. If you are not an Ontario secondary school student, please visit [welcome.uwo.ca/requirements](https://welcome.uwo.ca/requirements) for information specifically for you.

## Your application step by step

### 1. Check admission requirements

First, identify your applicant type. Then, determine if you have the course requirements for your program by checking pages 4-7, or by visiting our website at [welcome.uwo.ca/requirements](https://welcome.uwo.ca/requirements)

Don't forget to check English language proficiency requirements on page 10 if your first language is not English.

### 2. Mark deadlines and important dates on your calendar

Apply early! Timing is everything and we know you have a lot to remember. See page 8 for important dates and deadlines.

### 3. Apply

Choose the appropriate application as listed on page 11. If you want to be considered for more than one faculty/program, list each as a separate choice. Western does not extend alternate offers of admission from one program to another.

### 4. Send us additional documents (if needed)

Once you have applied, we will let you know what documents are required to complete your application and how to submit them. For a list of mandatory forms and voluntary supplemental admission profiles see page 9.

## Check your status

Once you apply, you will receive an email with your Western Student Number and step-by-step instructions on how to access your Western Student Center ([student.uwo.ca](https://student.uwo.ca)).

### What's in my Student Center?

- Your To Do list, where we'll ask for documentation if we need it
- Your admission decision once it's made

Check your Student Center often to make sure we have everything we need to evaluate your application.

### Submit your grades

#### Ontario secondary school applicants

If you are currently enrolled full-time in an Ontario secondary school and applied using the 101 application form, your grades will be automatically submitted by your school. If you are taking a course outside of your regular full-time school (for example, at a private institution), it is your responsibility to inform your school and submit all enrollment and grade information to them for upload to the Ontario Universities' Application Centre (OUAC): [ouac.on.ca](https://ouac.on.ca)

#### Ontario college and university transfer applicants

You can request electronic copies of your official transcripts when completing the online application through OUAC. Watch for the prompts and note the timelines for sending transcripts in your Student Center.

### Submit supplemental documentation

Be sure to prepare and submit any supplemental information and required test results by the deadline (see pages 8-9). Refer to your To Do list in Student Center to see what is required to complete your application.

## Identify your applicant type

A detailed outline of the requirements for each applicant type can be found online at: [welcome.uwo.ca/requirements](https://welcome.uwo.ca/requirements)

### Ontario Secondary School Applicant

*You are a secondary school student who has already graduated or will be graduating in June, with the required secondary school courses for admission.*

Check pages 4-7 for admission and program information. You will be considered based on six Grade 12 U and/or M level courses (excluding co-op) including ENG4U and program prerequisites.

Grade 12 prerequisite courses will be included in the calculation of your mid-year and final admission average.

**Note:** If you are simultaneously enrolled in the International Baccalaureate and the OSSD curricula, your eligibility for admission will be based on the criteria above – not your IB Diploma. You may be considered for transfer credit if you meet the IB requirements found online at:

[welcome.uwo.ca/requirements](https://welcome.uwo.ca/requirements)

### Advanced Placement

*You have registered in Advanced Placement courses and have written your AP Exams.*

Your admission will be based on your current secondary school curriculum, not Advanced Placement. If you achieved at least 4 out of 5 in your AP exams, you may be considered for transfer credit to a maximum of 2.0 full credits.

### Mature Applicant

*You are a Canadian citizen or permanent resident who will be 21 in the calendar year in which you seek admission and do not meet the minimum academic requirements for any other applicant type.*

Additional requirements for consideration under the mature applicant guidelines can be found online at:

[welcome.uwo.ca/requirements](https://welcome.uwo.ca/requirements)

You will be required to submit supplementary information if applying for full-time admission.

[welcome.uwo.ca/admissions/forms](https://welcome.uwo.ca/admissions/forms)

### College of Applied Arts and Technology (CAAT) Applicants

*You are studying at an Ontario college and have a minimum overall average of 78 per cent in a two- or three-year diploma program or a minimum of 80 per cent in the first year of a recognized General Arts and Science program.*

If you are completing a two- or three-year diploma, you may be eligible for transfer credit.

### University Transfer Applicant

*You are currently studying at another university, but you want to transfer to Western to complete your degree. You have achieved a minimum final overall average of 70 per cent (B-) and graduated secondary school or equivalent with an acceptable academic average.*

If you have already been granted a degree that is equivalent to at least a three-year bachelor's degree from Western, and your degree is from an accredited university that is recognized by Western, you will be considered under our Special Student admission requirements. Special Students are normally seeking to take some courses, not seeking a second undergraduate degree.

### Applicants Seeking Readmission

*You are seeking readmission to Western or an Affiliated University College (Brescia, Huron or King's) following withdrawal for unsatisfactory academic standing.*

You must submit an application along with the Reconsideration of Admission form. You will also be required to submit supporting documents for review by the Admission Committee.

### Indigenous Applicants

*You are Indigenous as defined on the Canadian Constitution Act of 1982 (First Nations, Metis, Inuit) or Native American/Alaska Native from the United States and are seeking an accessible admission pathway.*

Western is committed to increasing access to postsecondary education for Indigenous learners and has created an Indigenous Admission Access Category to encourage applications from Indigenous individuals. [indigenous.uwo.ca/admissions](https://indigenous.uwo.ca/admissions)

Contact Indigenous Services for more detailed information.

# ONTARIO SECONDARY SCHOOL ADMISSION REQUIREMENTS

To be considered on the basis of your Ontario Secondary School Diploma you must have a minimum of six Grade 12 U and/or M level courses (excluding co-op) and the prerequisites required for your program. Prerequisites will be included in the calculation of your admission average. For details visit: [welcome.uwo.ca/secondary](http://welcome.uwo.ca/secondary)

# ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS

If your first language is not English, you will be required to provide acceptable proof of English language proficiency. You are encouraged to write a test at the earliest possible date and before March 2021. Scores for any test written before January 1, 2019 will not be accepted. Alternatively, you may complete one of Western's acceptable English language programs.

The Undergraduate Admissions Office reserves the right to require any applicant to write a test of English proficiency. Additional details regarding acceptable proof of English proficiency can be found on our website at: [welcome.uwo.ca/english](https://welcome.uwo.ca/english)

**Nursing Applicants:** English language proficiency requirements for admission to undergraduate nursing programs are different than requirements for other programs at Western. Please refer to Nursing's website for further information: [uwo.ca/fhs/nursing/undergrad/bscn/admission.html](https://uwo.ca/fhs/nursing/undergrad/bscn/admission.html)

## WESTERN ENGLISH LANGUAGE CENTRE (WELC) – ENGLISH BOOST PROGRAM

If you applied to Western's Main Campus and you are just below the English standard for admission, you are automatically considered for the English Boost program. No additional application is required. Boost is a nine-week program in the summer, starting in early July. You'll develop reading, writing, listening and speaking skills to help you succeed academically. You will also gain cultural knowledge to help you navigate your new environment.
